QUALITY POLICY

Techno-Inn is committed to implementing and maintaining an effective Quality Management System in accordance with **ISO 9001:2015** to ensure customer satisfaction and continual improvement.

We shall:

- **Ensure Customer Focus** by understanding customer needs and delivering reliable security and safety solutions on time.
- **Provide Quality Products & Services** including CCTV, access control, road blockers, and fire safety systems through controlled processes and quality checks.
- **Comply with Applicable Requirements** including statutory, regulatory, and customer-specific requirements.
- **Apply Risk-Based Thinking** to address risks and opportunities affecting product and service conformity.
- **Promote Continual Improvement** of the Quality Management System and operational performance.
- **Develop Competent Personnel** through training, awareness, and provision of necessary resources.

Top Management is committed to communicating, implementing, and reviewing this policy for its continuing suitability and effectiveness.

Solution For The Safer World
